

How to get here

1. Drive through the gate without ringing.
2. Get the car park number, the key, and the skiing pass at the ticket counter. (For this purpose, feel free to temporarily stop your car in front of the glacier cable car).
3. Ring the bell at the gate next to the glacier cable car.
4. Drive into the car park – uphill to the left behind the glacier cable car (towards the ramp), and drop off your bags at the foreseen shopping cart.
5. Park your car in the underground car park.
6. Go back to the spot behind the glacier cable car, where you dropped off your bags, and walk up the ramp. (In case a glacier cable car employee stops you, please show your skiing pass, which is valid starting from the next day).
